Description : The Khatling – Mashar tal high altitude trek falls in the valley of Bhilangana. Nature has bestowed her bounty on the vale of Bhilangana in abundance, and the rich pasture lands are ideal camping sites. The valley of Bhilangana affords a panoramic view of snow-clad peaks and hanging glaciers as Jogin(Ist 6454 m, IInd 6116m & IIIrd 6116m), Kirti Stambh(6285m) , Meru(6660m) & Sphetic Prishtwan (6905m). The Khatling glacier is situated in between Gangotri and Kedarnath. The whole trek route passes through dense whispering forests, delightful emerald alpine meadows & water falls. trekker will have to cross score of small streams on impronised log bridges and some times fording them on this route. this area is rich in wildlife. For endurance of the trek participants must be extensive Himalayan trekkers, physically fit & due acclimatization is must to avoid mountain sickness.

TREK ITINERARY

- 7.9.2010** All the participants are requested to assemble at TRH Ghuttu, 1400m. In the evening group reception and opening address. Ghuttu situated on the bank of river Bhilangana is famous for being gateway for Sahastratal & Panwalikanth-Kedarnath trek. Dinner & o/n stay in TRH.
